

WELCOME to church

We're glad you came!

**First time with us?
We're excited to meet you!**
Please see one of our greeters

January 11, 2025

Speaker: Pastor Collin

Message: A Praying Church, 1 Tim 2:1-8

Thoughts for Discussion:

1. How can praying for leaders and authorities affect your personal perspective and societal living?
2. How does understanding Jesus as the sole mediator between God and mankind affect your understanding of salvation?
3. How does Paul's role as a teacher to the Gentiles inform the mission of the Church today?

**A brief meeting following the service to vote on
Josh & Jessica Ng for membership.**
