

MISSIONS FOCUS

THE MEISELS

Serving with Ethnos360, Florida USA

Missionaries like Tim & Esther serve at Ethnos home office and play vital roles in the mission work. Like those who serve overseas, these missionaries are responsible to raise financial support. They look to God, trusting only in Him to provide through His people.

For those who might not be aware, Esther is the daughter of our former Pastor and wife Mel & Myrt Jones. We have been supporting the Meisels at PCBC for a long time, not sure exactly how long, but around 40 years. Many of us remember Esther as our spunky camp councillor.

Recent message sent to us:

We look ahead to 2026 with hope... believing that God is working out His plan for this tired sad world and our own lives. "He really is in control even with all the madness going on in the world...and we must focus on His Word knowing that He will see it all through and keep all His promises."

There are still so many who are "without Christ...having no hope and without God in the world." Without Jesus we would be hopelessly eternally lost. We are thankful for Ethnos360 reaching the least accessible groups in the world. 86 translations of God's word are currently in progress. This book tells us who God is, how the

universe began, why sin came into the world, what God's plan - through His Son Jesus - is to rescue us from Satan, sin, and eternal separation from Him, and the blessed future hope escaping the wrath of God, and the eventual physical rule of Christ from Jerusalem.

John 14:1-7, Revelation 21,22.

Happy New Year!

Speaker: Pastor Collin
Message Title: A Faithful Church
Passage: 1 Timothy 4:1-16

Thoughts for Discussion

1. Why does Paul connect false teaching with hypocrisy and a seared conscience?
2. Where are you most tempted toward distraction rather than godly discipline?
3. What habits would help you better "train for godliness" this year?
