

MISSIONS FOCUS

New Brunswick Bible Institute

has been training young men and women in a thorough and practical knowledge of the Bible since 1944. Located in Victoria Corner, NB.

We believe that NBBI should ever be a school where the Word of God is taught, practiced and honoured.

Ministry Prayer Needs:

- Staffing Needs - Give wisdom and discernment for the Board of Directors throughout the process of building the team.
- Increase in our international student allocation. Open doors with governing authorities and grant us favour.
- Growth in student enrolment. We desire to see more young people grounded in Scripture and prepared for service.
- Financial provision - We continue to trust God to supply every need as we equip men and women for ministry.

This month the campus at NBBI will be a flurry of activity with ENCOUNTER YOUTH RETREAT.

Encounter Prayer Requests:

- To prepare the hearts of each teen who attends.
- Safety in travel to and from the retreat.
- Boldness and sensitivity to the Holy Spirit for our speaker.
- The retreat would be a time of deep spiritual growth for the teens.

- Provide energy, health, and grace for each student and staff member serving.

NBBI has always relied on the generosity of God's people and are thankful that God has led thousands of individuals to support this ministry.

March 1, 2026

Speaker: Pastor Collin
Title: A Focused Church
Passage: 1 Timothy 6:3-21

Thoughts for Discussion:

1. Why does doctrinal error often produce relational conflict (envy, slander, suspicion)?
2. Why is the desire to be rich spiritually dangerous?
3. How does God's sovereignty and majesty (v. 15-16) strengthen Christian endurance?

Preparing Our Hearts for Easter

After the crazy season of Christmas, and the never-ending feeling of winter, it is uplifting to turn our hearts to Jesus and His sacrifice for us.

Scripture calls God's people to pause, examine their hearts, and return to Him.

"Search me, O God, and know my heart... and lead me in the way everlasting." (Psalm 139:23-24)

Rather than rushing toward Easter morning, let's take the opportunity to slow down and prepare our hearts intentionally before the cross and be ready to celebrate with joy the power of the Resurrection.
