

## MISSIONS FOCUS

### New Brunswick Bible Institute

has been training young men and women in a thorough and practical knowledge of the Bible since 1944. Located in Victoria Corner, NB.

We believe that NBBI should ever be a school where the Word of God is taught, practiced and honoured.

#### Ministry Prayer Needs:

- Staffing Needs - Give wisdom and discernment for the Board of Directors throughout the process of building the team.
- Increase in our international student allocation. Open doors with governing authorities and grant us favour.
- Growth in student enrolment. We desire to see more young people grounded in Scripture and prepared for service.
- Financial provision - We continue to trust God to supply every need as we equip men and women for ministry.

This month the campus at NBBI will be a flurry of activity with ENCOUNTER YOUTH RETREAT.

#### Encounter Prayer Requests:

- To prepare the hearts of each teen who attends.
- Safety in travel to and from the retreat.
- Boldness and sensitivity to the Holy Spirit for our speaker.
- The retreat would be a time of deep spiritual growth for the teens.

- Provide energy, health, and grace for each student and staff member serving.

NBBI has always relied on the generosity of God's people and are thankful that God has led thousands of individuals to support this ministry.

Speaker: Pastor Collin  
Title: A Growing Church  
Passage: Titus 2

Thoughts for Discussion:

1. What dangers arise when churches emphasize behavior without doctrine—or doctrine without godliness?
2. What does this passage reveal about the importance of intergenerational discipleship?
3. How does the grace of God both save us and train us to live godly lives?
