

MISSIONS FOCUS

Andrew and Kayla Ardern & family
serving with Fellowship Atlantic
WAYFARERS' CHURCH
a church plant in Spryfield, NS

A recent note from Andy:

This seems like a mundane day. The usual grind. I met someone for coffee at McDonald's this morning & since then I'm getting things done at the office. The rain is coming down outside as I write this newsletter and wait to hear back about some meetings later in the week.

While sometimes there are amazing and jaw dropping updates from us here in Spryfield (we have one of those at the end of the newsletter), a lot of ministry is mundane. Here's a great reminder from Paul Tripp about these moments:

"By sovereign grace he places you in daily little moments that are designed to take you beyond your character, wisdom and grace so that you'll seek the help and hope that can only be found in him. In a lifelong process of change, he is undoing you and rebuilding you again – exactly what each one of us needs!"

God is with you in your
mundane moments.

A couple Prayer Requests:

- There was a salvation at the Alpha group in the local High School. Praise God!
- We have a lay elder now at Wayfarers', Bala Harri. I hope to introduce him to you soon.
